

GSF WISH LIST

** currently our most needed areas of support*

Firstly, thank you for checking out our Wish List! It's important to us that the people who support us receive value in return as well. We don't ask for support lightly, and we appreciate you taking the time to see how you might contribute. Whether you contribute financially, energetically or not at all, thank you for being with us on this beautiful journey to heal ourselves and the world we share. There are a range of options here you could donate, from inexpensive bug repellent refills to helping with the property payment. Links are guides--feel free to donate whatever inspires you, or to shop for a better deal. Our goal this year is to pay off the mortgage, as this will dramatically open up cash flow and allow us to help more people. The retreat center is *your* retreat center, *your* church, *your* place for Healing through Connection, Transformation and Love. Your donation, whatever size, will ripple out and make a positive impact on many others, and is tax deductible. THANK YOU!
